Dear Judge Naidu,

I am writing to you to confirm that I know, have studied and understand the global capital markets system and its associated banking protocols. I also know that the only hope left for mankind is to rely on the Word of God as explained in the Holy Bible which the Word in Action Ministry and HEEP are professing and propagating to bring about the death of debt.

I reaffirm and confirm my loyalty and allegiance to the Word in Action Ministry freely, willingly and voluntarily.

Sincerely,
